Questions and Responses:

1. Can you provide exact addresses for the following locations - referenced by the number they were listed as via the RFP?

#102 - ISLAND CENTRAL, FWB BOOSTER STA., 1264WS Amberjack Dr. (98 E. cross over Brooks Bridge , Right at light , Right at fl)

#119 – 3180 WS Hwy 98 west, Mary Esther (Go west on Hwy 98 almost to Santa Rosa County line to Stephenson Plant site).

#120 – 108WS Amberjack Dr. Okaloosa Island (East on Hwy 98 over Brooks Bridge, first R, Sta. behind lounge in privacy fence).

#121 – 250 Roberts Blvd., Fort Walton (North on Roberts Blvd. 1.15 miles from the intersection of Lewis Turner Blvd and Roberts Blvd.)

#122 – 5583 WS Fairchild Rd Crestview (Go east on Hwy 90, L- on Fairchild Rd. go to Crestview Aerospace, R- on dirt road follow around to plant).

#123 – 620 Manchester Dr. FWB (Turn off Racetrack Road (by Parade Gas Station) onto Essex Dr. follow around to Manchester Dr.).

#124 – 3050 Airport Rd. Crestview (1.17 miles east on Airport Rd. from 85N. Red and White checkered water tank.)

2. Also, under the Crestview plant, I notice that there is almost 10 million Sq. Ft of open field to the south of the plant. Is all of that part of the mowing? Could you give me some more concise direction as to the area of the plant that needs mowing? **No. This would only include the areas at the WRF itself. ~ 164,000 sq. ft.**
3. In on page 10 of the proposal, where the required services of the airport are outlined, there is a reference to edging. For clarity, would you please inform me of what exactly is expected? **Trimming and weed whacking are both required per the ITB.**

4. Do you have an approximate total Square footage of turf to be mowed for the:
 - **Water & Sewer area-see attached for all locations.**
 - **Airport Area- They cut and trim approx. 885k sqft which includes all the landside grassy areas you see with the exception of the fuel farm and including the islands in all the parking lots. They also trim the bushes as needed and the palms x2/yr.**
 - **Tourist Development Department-TBD.**
5. I would like to request the prior contract and the contract amount. **Please use the link referenced here to obtain the current contract. Please see attached for closed contract with Horizons <http://www.co.okaloosa.fl.us/sites/default/files/contracts/contract/C16-2377-WS.pdf>**
6. Is there a set aside amount for this contract, and what is it? **Not applicable**
7. See attached for a complete list of pump stations, water tanks and well water wells.
