

ADDENDUM 1

June 5, 2020

ITN PS 33-20

PROJECT 25 PUBLIC SAFETY RADIO NETWORK

This addendum is to amend two (2) provisions to the ITN and provide a Non-Disclosure Certificate for the Pre-Proposal meeting scheduled for June 11, 2020 at 9:00 A.M.

The following provisions of the ITN are hereby amended as follows:

1. Section 3.3.2.B.1 on page 25 of the ITN, total frequency channels required is changed from 28 to 24:

3.3.2 Expansion

B. The system shall be expandable to meet the capabilities listed below through the addition of hardware and/or software. Replacement of the system and site control equipment to meet this requirement shall not be acceptable.

1. Total frequency channels – ~~28~~24

2. Section 3.6.6.I on page 34 of the ITN is deleted in its entirety:

3.6.6 Antenna Systems

~~I. Receive antenna systems shall be configured in a diversity configuration that allows complete receive antenna system redundancy that will not result in a reduction of channels in the event one receive antenna becomes inoperable.~~

*Please bring the attached Non-Disclosure Certificate to the meeting in order to be able to receive the County confidential information and attend site visits.

*Please bring the appropriate PPE, to include a mask to the meeting. Due to room size and to follow CDC guidelines, we are requesting that you bring no more than five (5) people to the pre-proposal meeting and no more than two (2) people to the site visits.

The opening date for this ITN remains July 17, 2020 at 3:00 PM CST.
