

ADDENDUM 1

January 15, 2020

ITN PS 01-20

EMS BILLING SERVICES

This addendum is to provide a call-in number for the non-mandatory pre-proposal meeting scheduled for January 27, 2020 at 10:00 A.M. CST

You will dial:

- **850-306-2101** and wait for a dial tone.
- You will then dial a four (4) digit extension. That number is **6966** followed by “#” (pound key).
- I have elected **not** to have a pin number for this call; so when prompted for a pin number, hit: “#” (pound key).

RECAP: Dial 850-306-2101, hit 6966, hit “#” followed by “#” again.

Should you have any questions, I can be reached at 850-689-5960.

The opening date for this ITN remains February 19, 2020 at 3:00 PM CST.
