TSA PreCheck is an expedited screening program that enables identified low-risk air travelers to enjoy a smart and efficient screening experience. For TSA PreCheck travelers, there is no need to remove shoes, 3-1-1 liquids, laptops, light outerwear or belts. Today, TSA PreCheck is at 200+ U.S. airports and in Nassau, The Bahamas.

The TSA PreCheck enrollment program allows U.S. citizens and lawful permanent residents to directly apply for TSA PreCheck. Once approved, travelers will receive a Known Traveler Number (KTN), which needs to be added to your airline profile and reservations and will have the opportunity to utilize TSA PreCheck lanes with over 80 participating airlines.
