Overnight Lane Closure in Crestview – PJ Adams Parkway

Crestview, Fla. – Road crews will be working overnight on PJ Adams Parkway, Monday, August 1, 2022, to install a storm drainage structure as part of the PJ Adams Parkway widening project.

An overnight westbound lane closure will be necessary west of Northview Drive for Monday, August 1, 2022 from 8:00 p.m. to 5:00 a.m. the following morning and potentially overnight on Tuesday August 2. The work is estimated to take one to two nights pending weather or other unavoidable delays.

Because the westbound lanes will be restricted, traffic congestion is possible. Motorists should use caution and be prepared to slow down. The worksite will be illuminated and flagmen will be present during this time.
