South Potable Water System

DRINKING WATER PROBLEM CORRECTED

Customers of the Okaloosa Main Public Water System (PWS ID #1460506) were notified on June 4, 2026, of a problem with our drinking water and were advised to not drink the water without boiling it first. We are pleased to report that the problem has been corrected and that it is no longer necessary to boil water. We apologize for any inconvenience and thank you for your patience.

The Boil Water Notice is hereby rescinded. The satisfactory completion of sampling and testing shows the water is safe to drink.

The notice applied to certain customers in unincorporated Fort Walton Beach and unincorporated Mary Esther (Florosa). Please see the attached map for the affected customers.

As always, you may contact Okaloosa County Water & Sewer at 850-651-7171 (during business hours) or 850-651-7174 (after hours) with any comments or questions.

> *Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.*

This notice is being sent to you by OCWS. State Water System ID#: 1460506.

Date distributed: June 5, 2026.
