Honorable Timothy "Pete" Smith, CFA Okaloosa County Property Appraiser 151-D N. E. Eglin Parkway Ft. Walton Beach, Florida 32548

Dear Mr. Smith:

Pursuant to Section 195.087(1)(b), Florida Statutes, the Department of Revenue has made any necessary changes to your 2010-11 budget. The enclosed budget reflects any changes that may have become necessary based upon our review of additional information or testimony that may have been presented.

The above referenced statute provides that this final budget, as approved by the Department of Revenue, may only be amended through a budget amendment requested by the Property Appraiser or an appeal to the Governor and Cabinet sitting as the Administration Commission. The Administration Commission may amend the budget if it finds that any aspect of the budget is unreasonable in light of the workload of the office of the Property Appraiser in the county under review. A written request must be filed no later than 15 days following the public hearing to finalize your county's budget and adoption of millage rates. Appeals may be filed by the Property Appraiser or the presiding officer of the County Commission.

The 2010-11 salary for the official is not yet available from LCIR. Therefore, it will be necessary for this office to make a technical amendment to the budget at a later date to reflect the final salary and any necessary adjustment for matching benefits.

If you have any questions regarding your budget, please feel free to contact me at (850) 617-8845.

Sincerely,

Cathy Galavis, Budget Supervisor Property Tax Oversight Program
