

MARCH 23, 2020

We are living through an unprecedented time in recent history. This coronavirus (COVID 19) is sweeping across our country and now are our county. Each of us wants to be as informed as possible. This newsletter contains sites where you can find information that may be helpful to you and your family. So much of the information you receive is national news, but this is our local information. We will continue to update our sites as we live through this time as a community. Please check with your neighbors and friends to make sure they have food they need to shelter in place. Our best weapon to fight this is social distancing. There is a long incubation period when you could be shedding the virus or your friend who appears to be well is, in fact, contagious. I am at your service and can be reached by email at the address at the end of this newsletter. Please forward this to your neighbors in Okaloosa County. Please send me your contact information if you wish to receive my weekly newsletter during this pandemic. Most of all stay safe.

We thank our Physicians, health care workers and first responders who will be on the front lines. We will come through this and our country will be stronger. We pray for each other and those who will suffer loss in the weeks ahead. May God be with us.

Be safe and remember flatten the curve,

My Sincere Thanks,

Carolyn N. Ketchel
Vice Chairman
Okaloosa County, Board of County Commissioners
1250 N Eglin Pkwy., Suite 100
Shalimar, FL 32579
850-651-7105
