

Policy Title: **Replacement of Siding**

Policy Number: **2015-04**

Effective Date: June 12, 2015

Approved By: Paul J. Adams  
Building Official

Approved Date: 6/22/2015

**Description:** This policy letter implements how the Department of Growth Management Inspections Division determines when a permit is required for Siding replacement.

**Application:** This policy applies to all siding replacement jobs.

**Policy:**

**General:**

A permit will be required on siding replacement if the amount of siding being replaced exceeds 100 square feet. (2'x50', 10'x10', 5'x20', 4'x25' or 100'x1')
