NOTARY SEAL:

Blower Door Testing and Mechanical Ventilation (Required for permits submitted July 1, 2017 and after)

The Fifth Edition of the Florida Building Code (FBC) requires blower door testing for all residential dwelling units. This would include single family houses, townhouses, duplexes and each condominium and apartment unit where the building is three (3) stories or less. The Energy Code requires that the ACH (air changes per hour) be seven (7) or less. Mechanical ventilation is required if the blower door test has a result of less than three (3) ACH.

Who can perform the blower door test?

Individuals with the following certifications/licensures will be approved:

1. Individuals defined under FS 553.993 (5) or (7)
 - Energy Auditor or Energy Rater
 - Currently Certified through RESNET or BPI (Building Performance Institute)
2. Individuals licensed under FS 489.105(3)(f), (g) or (i);
 - Class A Air Conditioning Contractor
 - Class B Air Conditioning Contractor
 - Mechanical Contractor
3. Individuals who have obtained blower door training certification from a recognized agency

If you wish to be approved, please submit the following information to Rene'e Lucas, Licensing Specialty with Okaloosa County Dept. of Growth Mgmt. with the following information:

1. Copy of certification with RESNET OR BPI;
2. Copy of current local business tax receipt;

Class A, Class B or Mechanical Contractors that are currently registered with Okaloosa County Department of Growth Management are already approved to perform blower door tests at this time.

What needs to be submitted and when?

The attached Blower Door Test Form is to be completed by the tester. The Blower Door Test Form is required to be signed by the license holder or the certificate holder. The Blower Door Test Form is to be provided to the Okaloosa County Dept. of Growth Mgmt. before the Certificate of Occupancy will be issued.
