

COVID-19 Vaccine Priority of Florida Residents

On January 21, State Surgeon General Dr. Scott Rivkees signed a Public Health Advisory prioritizing Florida residents for COVID-19 vaccinations given in Florida.

If you are a Florida resident:

- Must show Florida driver's license or Florida identification card.

If you are a seasonal Florida resident:

Seasonal resident means any person who temporarily resides in this state for a period of at least 31 consecutive days in each calendar year, maintains a temporary residence in this state, returns to the state or jurisdiction of his or her residence at least one time during each calendar year, and is registered to vote or pays income tax in another state or jurisdiction.

An adult seasonal resident may provide the department with a copy of **TWO** of the following that show proof of residential address:

- A deed, mortgage, monthly mortgage statement, mortgage payment booklet or residential rental or lease agreement.
- One proof of residential address from the seasonal resident's parent, step-parent, legal guardian or other person with whom the seasonal resident resides and a statement from the person with whom the seasonal resident resides stating that the seasonal resident does reside with him or her.
- A utility hookup or work order dated within 60 days before registration of the date of vaccination.
- A utility bill, not more than 2 months old.
- Mail from a financial institution, including checking, savings, or investment account statements, not more than 2 months old.
- Mail from a federal, state, county, or municipal government agency, not more than 2 months old.
- Any other documentation that provides proof of Florida residential address that is not more than 2 months old.

If you are an individual in Florida for the purpose of providing health care services involving direct contact with patients*:

**Health care personnel are defined as paid and unpaid persons serving in health care settings who have direct exposure to patients or infectious materials. Health care settings include mobile and outpatient clinics and home health. Health care workers in hospitals, assisted living and long term care facilities are not eligible to be vaccinated through DOH-Okaloosa and will be vaccinated by hospitals, CVS, Walgreens or another contractor.*

- Must provide proof of employment in Florida.
Acceptable proofs of employment include: employment badge, W2, pay stub.
