

ADDENDUM 1

ITB WS 09-19

Pavement Restoration Bid for the North Lakeshore Sanitary Sewer Improvement Project

Date of Issue: June 04, 2019

The opening date remains June 19, 2019 at 3:15 P.M.

This addendum is to address the questions that were asked by potential bidders.

1. Please verify the quantity for bid item 1. The plans show roughly 2,616 sy of patching area. **Verified, this is a unit cost item, quantities noted may be less than required to complete the project.**
2. Is the contractor to raise the sewer manhole ring & covers or will they be to grade before our arrival? **Sewer manhole ring and cover will be at grade before paving – adjustments by others.**
3. Will the existing base be compacted per the specifications or is the paving contractor to achieve compaction of the existing base material? **The base will be compacted before paving, note Asphalt Road Repair/Overlay Detail in the drawings. Some additional compaction may be required when removing compacted aggregate areas.**
