

ADDENDUM 1

May 12, 2020

RFP PW 51-20

TRACKED MULCHING MACHINE FOR EGLIN AFB

This addendum is to provide answers to questions asked by vendors.

1. Under Section II. – Scope of Work; items #1, #3, #5 include note of “This is a hard requirement, no exceptions.” and furthermore “All Deviations Shall be Noted at the End of the Specification Section” Can you please clarify if those explanations, as sited in Section IV – Additional Requirements, Item #3, are to be listed on a separate page following the quote? **A sheet detailing the exceptions to the solicitation shall be provided by the vendor with their response.**
2. Also, regarding specifications that we would like the chance to explain in-person is the only opportunity to do so if we are chosen for a presentation as stated in Section V. – Special Instructions; Item #3 ? **Yes**
3. Otherwise could you provide a contact to discuss our unit and specs with, or see a demonstration prior to bid? **No – we are under the Cone of Silence – all communications need to come through the Purchasing Dept. Demonstrations, if required (Section I), may be done in conjunction with the presentations.**
